ABOUT OUR ROHINI FOUNDATION

- ROHINI FOUNDATION is a Non Profit Organization with a group of 7 Doctors.
- ROHINI FOUNDATION was established on 3rd July 2019 , to undertake the vital Work of oral health & prevention of oral diseases in children in the State Of Telangana.
- ROHINI FOUNDATION aims at conducting programmes to serve children dental needs in a holistic manner & to get access to quality health care.
- We have screened approximately 30,000 plus children in 500 Schools/ Organizations / Hearing Impaired schools/Visually Challenged Schools and treatment for 5000 plus children was done .
- We have distributed N95 Masks and Dental Kits during COVID-19 Pandemic for about 4000 plus Children in Orphanages in Hyderabad , Rangareddy , Mahabubnagar , Warangal, Nalgonda and Karimnagar Districts.
- We have Donated Dental Chairs to TIMS, King Koti and Gandhi Hospital for efficient delivery of covid affected patients during second wave of COVID-19 Pandemic.
- We have organized Blood donation camps for Thalassemia and Sickle Cell Anemia children during COVID-19 Pandemic.

MISSION :

- To Provide Information , Support & Resources through data collected after screening of these children who cannot afford the Dental Treatment in a private setup and to improve the oral health of children in Government schools/ Orphanages/Hearing Impaired Schools/Visually Challenged Schools/Zp Schools, Thalassemic & Sickle Cell anemia children.

VISION :

- To Reduce the Prevalence & Severity of the Dental Diseases up to 70% by 2025 in children of Government schools/Orphanages/Hearing Impaired Schools/Visually Challenged Schools/ZP Schools, Thalassemic and Sickle Cell anemia children.

BENEFICIARIES
